27" Circular Floor Refrigerated Showcase
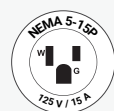

ITEM: 40440
MODEL: RS-CN-0400-R

Showcase your food and beverages with high performance in a sleek cylindrical countertop display.

Omcan's 27-Inch Circular Refrigerated Floor Display is the perfect solution for showcasing products in busy cafés, retail shops, and convenience stores. Its modern double-glass design provides a full 360° view, while bright LED lighting on two sides ensures your items are visible from every angle. Turnable glass shelves enhance product presentation, making it easy to create an eye-catching and organized display.

Designed for performance and ease of use, this unit features a digital temperature controller and display, a ventilated cooling system, and an automatic defrost function to maintain freshness with minimal effort. Four smooth-rolling casters, two with brakes, provide easy mobility and stability wherever you place the unit, making it both functional and visually appealing.
