Sandwich / Salad Prep Table

Model: GST-29-8 / GST-48-12 / GST-60-16 / GST-72-18

Description

The Glacier commercial sandwich/salad prep table is constructed with durable brushed stainless steel to handle years of use while being easy to maintain.

It's designed with ample space for food storage and preparation and includes 1/6 pan containers to hold a large assortment of food and toppings. This unit features recessed handles for clean styling. Digital controls fine-tune the desired interior temperature. Foam insulated for consistent temperatures. Self-closing doors for added convenience and ease of use. Auto-defrosting provides lower energy costs and colder temperatures. Includes locking casters for mobility.
