19L - 9.5L SALAD SPINNER

Brake System:

Omcan's 19L, and 9.5L salad spinners come with a big advantage amongst other competitors with a built in brake system. While most salad spinners only come with a handle to stop which can damage the gear inside. Omcan's salad spinners can easily utilize the built in brake to slow the mechanism and prolong the longevity of your Omcan salad spinner.

Heavy Duty Construction:

These units require no assembly and accomodates a large capacity for vegetables. Which makes it an essential for any restaurants.
