

# TFS4 - Multi-Station Digital Timer

The TFS4 Multi-Station Digital Timer has four, 99 hour 59 minute timer stations that can be used simultaneously. Its large LCD screen and bright, color-coded flashing lights allow for easy viewing. The adjustable volume control and four distinctive audio alarms make it easy to hear from across a large room or busy kitchen.

Non-skid rubber feet, or wall mounting, keep the timer secured and its corresponding colored button keypad is splashproof. A one-touch Start / Stop button is located on top of the unit for quick and easy operation.

Optional Cooper-Atkins  
AC Adapter #9374
