KEY PRODUCT FEATURES AND BENEFITS

- Drawn, 18 gauge stainless steel sink bowl and work surface has a long life span and is dent resistant, even under heavy use.
- Seamless 18 gauge stainless steel front apron for durability and easy of cleaning.
- Our new, more robust Perlick Quick Clamp leg attachment still features easy tool-less installation, when legs are used.
- Stainless steel legs with adjustable thermoplastic feet install without tools for freestanding applications.

Additional Features:

- All stainless steel construction.
- Optional Perlick Flex Mount leg relocation kit moves rear legs forward for additional space behind the equipment or moves forward legs rearward to help avoid pesky floor drains, available on TSF/TSS units.
- Optional NSF-listed commercial-grade hot/cold water faucet stands up to years of use and can be easily serviced from the front.
- Optional side splashes.
- Step up to a bartender prep sink for added functionality and drink making efficiency.
